## PRIORITY MESSAGE TO THE CHURCH FOR THE YEAR 2011

This is God's priority message to the church for the year 2011. In the early morning of December 28, 2010, the Lord woke me up with His inaudible voice that incredibly caused my mind to quake and tremble. Thus says the voice of the Lord: "As you begin the New Year 2011, let the church remember my words: *'Seek the Kingdom of God above all else, and live righteously, and He will give you everything you need'* (Matthew 6:33 - NLT). Tell them to abide with me in holiness and in obedience in the New Year, in order not to be consumed by the increasing tide of hardship and death with which the devil is inflicting the world (Matt. 15:5-8). In holiness and obedience to my words spring forth my love, joy, peace, and all the graces of my Spirit."

May the New Year be a blessing to our Ministries, and the entire body of Christ. May the Lord inspire and strengthen us to obey His words and to live in holiness in the New Year. May the Lord guide us with more clear and firm steps toward a true path of understanding, cooperation, peace and harmony, for which all humanity deeply yearns. May the Lord spare us from the evils of indifference, arrogance, injustice, division, hardship, violence and sudden death that might be embedded in the year 2011.

I wish each of you a spiritually-profitable year with abundance of His blessings. Amen.

In Christian love and service

Reverend T. Martins
